

As not all classes are offered every semester, students can expect to complete a certificate program in 6 months to 1 ½ years. Students are allowed to take as much time as needed between semesters.

Our Zoo and Aquarium Science certificate program consists of 5 courses. There are four required courses as well as one elective chosen from four possible options.

The course list is as follows:

Required:

- ABI 142 Environmental Education & Outreach
- ABI 221 Husbandry & Record Keeping
- ABI 242 Exotic Animal Management
- ABI 311 Animal Nutrition, Health & Disease

Elective:

- ABI 222 Animal Enrichment
- ABI 233 Animal Training
- ABI 251 Behavior & Training of Marine Mammals
- ABI 378 Primate Behavior & Enrichment
