

As not all classes are offered every semester, students can expect to complete a certificate program in 6 months to 1 ½ years. Students are allowed to take as much time as needed between semesters.

Our Wildlife Rehabilitation certificate program consists of 5 courses. There are four required courses as well as one elective chosen from three possible options.

The course list is as follows:

Required:

- ABI 142 Environmental Education & Outreach
- ABI 214 Principles of Wildlife Rehabilitation
- ABI 262 Wildlife Management
- ABI 311 Animal Nutrition, Health & Disease

Electives: (choose one)

- ABI 222 Animal Enrichment
- ABI 233 Animal Training
- ABI 331 Animal Behavior
